

**CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
CENTRAL VALLEY REGION
1685 E Street, Fresno, California 93706**

NOTICE OF PUBLIC HEARING
concerning

**ADOPTION OF WASTE DISCHARGE REQUIREMENTS
AND
NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT
(NPDES NO. CA0081485)
AND
TIME SCHEDULE ORDER
FOR
CUTLER-OROSI JOINT POWERS WASTEWATER AUTHORITY
WASTEWATER TREATMENT FACILITY
TULARE COUNTY**

The Cutler-Orosi Joint Powers Wastewater Authority (Authority) applied for renewal of a National Pollutant Discharge Elimination System (NPDES) permit to continue to discharge up to 2.0 million gallons per day of disinfected secondary-treated domestic wastewater to Sand Creek from its Wastewater Treatment Facility (Facility) at 40401 Road 120. Sand Creek is tributary to the Tule River, a water of the United States. The existing Facility currently discharges to Sand Creek and cropland pursuant to Waste Discharge Requirements (WDRs) Order R5-2006-0092 (NPDES Permit No. CA0081485).

The Central Valley Regional Water Quality Control Board (Central Valley Water Board) will consider adoption of the WDRs/NPDES permit to allow the Authority to continue discharges to Sand Creek and cropland. For discharges to Sand Creek, the proposed WDRs/NPDES permit include final effluent limitations for biochemical oxygen demand (BOD), total suspended solids (TSS), BOD and TSS percent removal, electrical conductivity, pH, copper, chloride, boron, un-ionized ammonia, settleable solids, total coliform, and acute and chronic whole effluent toxicity. The Central Valley Water Board will also consider adoption of a Time Schedule Order (TSO) for the Authority to comply with new effluent limitations for copper.

A public hearing concerning this matter will be held during the Central Valley Water Board meeting which is scheduled for:

DATE: 30/31 May 2013
TIME: 8:30 a.m.
PLACE: Central Valley Regional Water Quality Control Board
11020 Sun Center Drive, #200
Rancho Cordova, CA 95670

The designated party for this hearing is as follows:

- Cutler-Orosi Joint Powers Wastewater Authority

Designated parties, but not interested persons will have these rights: to call and examine witnesses; to cross-examine opposing witnesses; to impeach any witness; and to rebut the evidence against him or her. Central Valley Water Board staff will prepare the administrative record, and may present evidence, make an oral presentation and cross-examine opposing witnesses.

Interested persons may not cross examine witnesses, and will not be subject to cross examination. Interested persons may submit evidence (e.g., photographs, eye-witness testimony, monitoring data) if the evidence is submitted in accordance with the deadlines for submitting evidence described below. Interested persons who present evidence may be subject to cross-examination. Interested persons may request status as a designated party for purposes of this hearing by submitting such request in writing to the Central Valley Water Board no later than **29 April 2013**. The request must explain the basis for status as a designated party and in particular how the person is affected by the discharge.

The tentative WDRs/NPDES permit and TSO were issued on 22 March 2013. Persons wishing to comment on this item must submit testimony, evidence, if any, and/or comments in writing to the Central Valley Water Board no later than by **5 p.m. on 29 April 2013**. Testimony, evidence, and/or written comments submitted after **5 p.m. on 29 April 2013** will not be accepted and will not be incorporated into the administrative record if doing so would prejudice any party.

All designated parties and interested persons may speak at the Central Valley Water Board hearing and are expected to orally summarize their written submittals. Oral testimony and cross examination will be limited in time by the Board Chair. Both designated parties and interested persons may be asked to respond to clarifying questions from Board members, counsel staff or others, at the discretion of the Central Valley Water Board.

Anyone having questions on the tentative WDRs/NPDES permit or TSO should contact Scott Hatton at (559) 444-2502 or at shatton@waterboards.ca.gov. Interested parties may download the tentative WDRs/NPDES permit and related documents from the Central Valley Water Board's Internet website at http://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/. Copies of these documents can also be obtained by contacting or visiting the Central Valley Water Board's office at 1685 "E" Street, Fresno, California 93706 weekdays between 8:00 a.m. and 5:00 p.m.

The final Central Valley Water Board meeting agenda will be available at http://www.waterboards.ca.gov/centralvalley/board_info/meetings/#2013 at least ten days before the meeting. The agenda will provide the dates the hearing will be held, indicate the anticipated order of agenda items, and may include staff revisions to the tentative WDRs/NPDES permit and TSO.

The procedures governing Central Valley Water Board meetings may be found at Title 23, California Code of Regulations, Section 647 et seq. and are available upon request. Hearings before the Central Valley Water Board are not conducted pursuant to Government Code section 11500 et seq. The procedures may be obtained by accessing
